Re: Visiting Hours for RIS Parents and Guests

Dear RIS parents and guests;

Ruamrudee International School is currently taking steps to ensure the safety of our campus. Among our concerns are the H1N1 influenza outbreak and unauthorized campus visits. Please be informed that the RIS administration has made the following decision in connection to these matters, please observe the following campus hours:

Morning	Parents may remain on campus until 8.30 a.m.
Afternoon	From 2.00 p.m. to 5.00 p.m.

We kindly ask that all visitors wear VISITOR ID issued by the school at all times when on the premises. Any parents or guests who have business with the school outside the hours indicated above, please contact the Information Office at Gate 6.

Please note that the Fitness Center will be closed temporarily until the situation of the H1N1 influenza outbreak improves.

The "VISITING HOURS" above is effective August 10, 2009.

Thank you for your kind cooperation.
