

April 1, 2010

Dear Parents, Faculty and Staff:

The end of March has come. As we turn the calendar page over to April, I feel the excitement and anxiety of the upcoming conclusion of yet another productive school year. The numerous activities that take place on our campus every day continue to provide excellent opportunities for the academic and moral growth of our students.

These opportunities are a mere celebration of God's glorious generosity. We have a four-day weekend ahead of us as Christians around the world celebrate Good Friday, the day that Jesus died on the cross, followed by Easter Sunday, where He rose into full life once again! This is a very special time of year as Easter means the Resurrection of Jesus from death back to life, a celebration for all of humanity. It is indeed a truly joyful and happy occasion.

The IB Art Exhibition by our IB Visual Arts Year 2 students entitled, "Uncensored," was a great success. Beautiful, creative and magnificent pieces of art were displayed at Central World for five days last week. The IB examiner spent time with each student evaluating their work as part of their final exam, and were quite impressed with the level of talent shown. A big thank you goes out to our Visual Arts Department who goes out of their way to organize and set up this yearly exhibition and to all the supportive parents who provided delicious treats on opening night!

The RIS-Thai Parents Group of the Parents' Auxiliary is planning to celebrate the upcoming Songkran Festival on Thursday, April 8, during our all-school morning Assembly. Please come and join the celebration!

I pray that God Almighty will continue to bless us with greatness in our community. Wishing you all a blessed and joyful Easter holiday with your family and friends.

Peace,

Fr. Pattarapong Srivorakul, C.Ss.R.
