

May 29, 2009

Dear Parents, Faculty and Staff:

It is hard to believe that the end of the final term is here. Certainly this has been a stellar year at Ruamrudee International School. I am extremely proud of the several outstanding accomplishments of our students and faculty members. From winners of scholarships to American Mathematics Competition, RIS students continue to excel in all areas of academic achievement.

A successful school year cannot happen without the support of our students, faculty, staff and the parents. Especially, my deepest gratitude to our parents who have been a great strength to me. We will continue to work as partners in your child's education and continue to focus on having high expectations and increasing academic achievement.

There are many new and exciting things happening here at the school. During the summer holidays, we will be installing new equipment in our buildings in order for the school to be eco-friendly and to be cost effective. Some of our teachers will be busy teaching summer school/camps at RIS. We will also welcome a group of highly qualified, world-class teachers as members of our faculty.

You will find an incredibly dedicated teachers who inspire lifelong learning in students and who help them establish high standards of academic excellence. During the past terms, I have been meeting students in the halls and in my office regularly, and are very impressed with their school spirit and dedication for learning.

During next term, I will continue to look for new programs and outstanding talents to provide the best academic and moral experience to our students. We will continue our efforts to improve communications with the parents. You will continue to see improvements in our website, newsletter, daily bulletins and special communications from the teachers.

During the next few days, I will be attending graduation ceremonies of all sections of the school. Congratulations to all the graduating students, especially congratulations to the Class of 2009 and the parents/guardians of our graduates.

This will be my last weekly letter for this term. I hope everyone has a restful and relaxing summer.

Once again, thanks for all the support. See you next term.

Peace,

Fr. Pattarapong Srivorakul, C.Ss.R.
Head of School
