

Good Morning Parents, Faculty and Staff:

I have taken over my duties as Head of School for two weeks now, and I am learning fast how blessed RIS is to have such wonderful students, parents, faculty and staff! I have graciously been welcomed by many of you, and I look forward to getting to know all of you as we continue to forge on to deliver quality and meaningful education in our school with a heart!

I aim to deliver you a short, weekly message by email every Friday to communicate with you informally highlighting the activities of the week. So here goes my first weekly message.

I was able to meet about 40 teachers and administrators from the Philippines and Asian Institute of Technology (AIT) staff who came to study our curriculum and environment of the school. I thank AIT and our School Development Office for arranging this wonderful exchange.

We also had a seminar on College Planning for Grade 11 students and was well attended by the parents. This was also my first time, and I learned a lot, too! Thanks to the High School Counselors for organizing this very informative meeting.

This morning I attended Games Day for the Middle School. It was a joy for me to witness the excitement and happiness among the students.

I also met with the Salary and Benefits Task Force to review and enhance our current health plan for the faculty. I am glad to report that we are making good progress. We will let you know the details later.

Finally, I would like to request all of you to remember Mr. Murray McDermid in your prayers as he is in the intensive care unit.

May God bless you all and happy February 1!

Fr. Pattarapong Srivorakul, C.Ss.R.
Head of School
