

March 19, 2008

Dear Parents, Faculty and Staff,

This is a very short week as we are getting ready to celebrate Easter. Yesterday, I was very pleased to see our senior students teaching small children at the Minburi Learning Center after school as part of the Learning in Motion program initiated by our school. It gives me great pride and joy to see our students actively involved in community services.

This morning, I had the privilege to meet more than forty International school teachers from all over Bangkok who came to our school to attend the Thai Language and Culture Course. I would like to thank International Schools Association of Thailand (ISAT) who organized the conference, and also Dr. Penny Lorwatanapongsa who coordinated the course instruction.

To all parents of Grade 10 students, please make a note to attend the Career Workshop this coming Monday, March 24, from 3 to 5 p.m. in the PAC Hall at RIST.

As I mentioned to you earlier, the school will be closed on Thursday and Friday to celebrate Easter. It is the time for us to celebrate the life, death and resurrection of Christ. We believe His miraculous resurrection provides hope for the future and offers us the promise of a new life.

This Easter we have reason to rejoice even more. Our great performance in every field at the school gives us strength and hope. Our 50th anniversary celebrations pave way for our students to help the needy children around us. God's unconditional love for us has taught us the importance of helping others and loving our neighbors.

I send Easter greetings to all of you. Have a wonderful long weekend.

Peace,

Fr. Pattarapong Srivorakul, C.Ss.R.
Head of School
