

MESSAGE FROM HEAD OF SCHOOL

Dear Students and Parents:

Here at Ruamrudee and Redeemer, the new school year is off to an excellent start!

First of all, let me join the School Board, staff and students to welcome our new team of teachers from all over the world. Our dedicated faculty and staff work closely with our students in bringing quality education to every student. One of my goals is to work together with the administration to provide the best possible learning environment for all our students.

We have developed a culture of character in our schools - *Union of Hearts*, and we will continue to foster excellence and community service. Our purpose is to inspire the RIS/RIST community to discover the virtues inherent within each of them and to bring forth those virtues and practice them in their daily lives on campus, at home and in the community.

Our students consistently show improvement in all areas of academics while becoming involved in a variety of extra curricular activities both inside the school and in the community. To reach our goal that all students are life-long learners, our faculty members consistently attend ongoing professional development training programs that keep them abreast of some of latest techniques and skills to educate our students.

Finally, I invite all the parents to participate fully in our school. I believe that by working together, we can continue to make strides in our efforts to provide the best academics and value education for your children. I am committed to make this happen.

I look forward to working with the parents, administrators, faculty and staff throughout the year and wish each student a successful and rewarding school year.

Peace,

Father Pattarapong Srivorakul, C.Ss.R.
(Head of School)
