

THE HALLOWEEN SPIRITS

Through the eyes of the Digital Photography Club, the Halloween Celebration in RIS was one of fantasy turned into infinite creative expression. These are some of the photographs of the club's members Kamolwan Kaewkoon (Mint), Nataphan Sangaphunchai (Teak) and Macaire Chue. These pictures are treated with special effects using Adobe Photoshop.

Retouched by: Kamolwan Kaewkoon
Models: Mint, Victoria and Myre
Artistic Adviser: Mr. Manuel Librodo Jr.

(The Digital Photography Club is a high school club for Digital Photography enthusiasts. It sponsors some photo competition on a given theme among club members. Meeting mostly on Thursdays, the club is also a venue for some exchange of ideas about how to improve pictures.)
