

PA International Food

The International Food Sale, held on 17 October, was the most successful ever, with more than 280,000 baht raised by the Parent Auxiliary (PA) to benefit our school. Almost 90,000 baht of the total was from generous cash donations by parents, with the rest coming from selling food on the day of the event. More than 300 parents participated in one way or another, either through cash or food donations, or by volunteering their

time prior to or on the day of the sale. Various nationality groups pooled their resources to sponsor tables of delicious Chinese, Filipino, Indian, Japanese, Korean, Mexican, Thai and Western food, most of it made by the parents themselves.

Parents, teachers and students dressed up in their national costumes, and some 200 students from all sections performed music and dance in a

rousing cultural show that was enjoyed by everyone.

The main organizing committee of Jarunee Supatpitak, Romanee Liuchanpattana, Nopawan Arromdee, Geeta Bankapur, Yuphadee Keeree and Pi-yawan Suwanpotipra put in many hours of work on this event. The country representatives were equally important in making the day a success. They are Shirley Sung and Malisa Lin (Chinese

reps); C.J. Lim (Filipino rep); Ratana Koghar, Kalpana, Sanhita, Sujatha and Suman (Indian reps); Tomoko Takigawa and Aki Sameshiima (Japanese reps); Danielle Ryu and Mrs. Kim (Korean reps); and Laura Trairatnobhas and Busaba Bass (West-ern reps).

The PA would like to thank all of the parents who worked at the sale, who made food and who donated cash.

We would like to thank all of the students who participated in the cultural show, as well as Ms. Nimfa (ES), the RIS Jazz Band and the HS Student Council. And finally, we would also like to thank the students, teachers, staff and administrators who made the day both fun and successful through their enthusiastic response to our fundraising efforts.
